

## Edison U-Ground Color Upgrade Options

### EXAMPLES

Edison U-Ground color upgrade converts the standard white to one of three combinations. "E" converts all receptacles to Black. "R" converts receptacles to Black & Red (single phase) and "B" converts all to Black, Red & Blue (three phase). All receptacles are rated at 20a and use the same wiring scheme as all white.

DR - DimmerRack  
UG - Upgrade

ED - Edison

Duplex Count

# DRUG - ED - 18D - B

D - Duplex

E - All Black  
R - Blk/Red  
B - Blk/Red/Blue
